A virtual event at this year's Commission on the Status of Women (CSW66)

Interpretation in English/Spanish/French/Russian/Arabic

Information and registration: <https://bit.ly/Migration-Climate-CSW66>

This intersectional feminist dialogue will both contribute to the CSW66 main theme, "Achieving gender equality and the empowerment of all women and girls in the context of climate change..." and build on WIMN's work to focus on and lift up the realities of women in migration within the global women's rights movement. It is part of WIMN's dialogue series, "Bridging Migration and Gender: Building More Powerful Movements."
